RE: Transfer of Small Mine Permits, Levin Stone Company, Inc., to Rocanville/Wing Joint Venture, Levin Stone #4 (S/027/086) and Levin Stone #2 (S/027/087), Millard County, Utah

On April 24, 2001, we received two transfers for small mining operations. These documents which involve a partial transfer of the Levin Stone #4 permit (S/027/086) and a complete transfer of Levin Stone #2 permit (S/027/087) from Levin Stone Co. Inc. to Mr. Mert Hamilton of Rocanville Joint Ventures.

The Levin Stone #4 permit (S/027/086) will leave approximately 1.5 acres on the north end of the existing quarry and a stone yard still under the responsibility of Levin Stone. We received a copy of a BLM letter addressed to Levin Stone, stating what remains to be reclaimed under this permit before the BLM will release Levin Stone of reclamation responsibility of the area Rocanville/Wing is not assuming responsibility for.

These transfers will hopefully benefit both the BLM and the Division in having an operator who is based in Utah to take over the majority of the remaining disturbances.

If you are in agreement with these transfers, please sign the two transfer documents. Thank you for your consideration of this request.
